ANTI-BEER BILL PASSES SENATE; GOES TO HARDING

WASHINGTON, D. C., November 18.—The final legislative step for the outlawing of beer and malt liquor for medicinal purposes was taken today by the senate.

By a vote of 56 to 22, the senate adopted the conference report on the so-called anti-beer bill and the measure now goes to the president, the house having acted some time ago.

Twelve Republicans and ten Democrats voted against the conference report. The Republican opponents were Senators Brandegee, Dupont, Edge, Johnson, La Follette, Lodge, McLean, Penrose, Phipps, Shortridge, Wadsworth and Welles. The Democrats were Senators Brundage, Gerry, King, Penrose, Russell, Shields, Stanley, Underwood, Walsh, (Massachusetts), and Watson (Georgia).

Two others, Senators Reed, Democrat, Missouri, and Moses, Republican, New Hampshire, were paired against the bill.

Thirty-three Republicans and twenty-three Democrats supported the measure, while it was announced that Senators Farwell, Republican, Oklahoma; Kellogg, Republican, Minnesota; Leonard, Republican, Wisconsin; McCormack, Republican, Illinois; Sutherland, Republican, West Virginia, and Fletcher, Democrat, Florida, who were absent and paired, favored the bill.

The bill will set aside the ruling by former Attorney General Palmer who, two days before he retired, advised the prohibition enforcement officials that there was nothing in the Volstead act to prohibit the prescription of beer and light wines for medicinal purposes.

The legislation has been before congress since last June. The house accepted the compromise reached by the conferees in August, but there followed a bitter controversy in the senate waged by a small but determined group, who contended that the bill struck a fatal blow at personal rights because it permitted search and seizure without warrants. The first draft of the measure authorized the search of private homes without warrants, but this feature was eliminated in conference.

The bill limits physicians to 100 prescriptions for vinous and spirituous liquors each three months and specifies that not more than a quart of spirituous or vinous liquor, containing in the aggregate not more than one-half pint of alcohol may be prescribed for one person in ten days.

Importation of liquors is barred by the bill until the supply on hand in the United States shall no longer be sufficient to meet the current need for non-fermented uses. It also gives the courts of Hawaii and the Virgin Islands jurisdiction in the enforcement of the national prohibition act as well as the bill passed today.

Until President Harding signs the bill officials explained, the treasury regulations now existing would remain in effect and brewers may continue to operate under them. However, officials added, from the moment of the president's signature upon the anti-beer bill existing regulations automatically become void.

It was suggested in some quarters that President Harding might delay action upon the anti-beer bill pending an opinion by Attorney General Daugherty upon the constitutionality of the measure.

Japan To Give Views On Chinese Proposal To The Delegates Tomorrow

WASHINGTON, D. C., November 18.—(By the Associated Press.)—Committee sessions of the conference delegates stood at adjournment today to give opportunity for a general presentation of that country's views on China's proposal of principles for settlement of Far Eastern questions at a committee meeting of all the delegations tomorrow. Following discussion of all the delegation heads meeting as a committee on procedure yesterday that a general exchange of views on China's program be had before consideration of specific points as they fall under the divisions of the original agenda, the Japanese delegation asked for the lapse of a day before holding a meeting of the delegations for that purpose.

Baron Kato has announced Japan's acceptance of China's proposals as the "basis of discussion" in committee, saying he had no objection to their acceptance in principle for that purpose.

Meanwhile, committees of the British delegation pushed their work today of formulating in detail their position on both the American armament proposal and the Chinese Far Eastern program. Although preparation of the British viewpoint on the armament question, it is stated, will require two or three days yet for completion, the committee of naval officers of the five powers is carrying forward its consideration of the American proposal and is reported already to have made some progress. It is regarded as certain, however, that no early report from this body can be looked for in view of the task it faces in accommodating the strong British desire for a cut in the maximum submarine tonnage proposed and the equally strong American view that this maximum should be retained. While this, at present, is the outstanding point of

disagreement on the armament question, the committee also must take up modifications to be proposed by Japan permitting her to maintain a "general tonnage slightly greater" than the proposed 60 per cent ratio. Announcement that Japan would ask this was made by Baron Kato late yesterday in a statement in which he said his country also would seek the right to maintain in types of vessels of "strictly defensive character," a tonnage approximating that of the other two powers.

Steamer Chilo Sinks In Ohio River; Passengers Are Saved

CINCINNATI, O., November 18.—Thirty persons, including two women passengers, were saved from the muddy waters of the rapidly rising Ohio river in a spectacular rescue last night when the steamer Chilo, carrying a heavy cargo of freight oil stream from Cincinnati, struck a projection on the top of government dam No. 35, opposite New Richmond, Ohio, and sank a few minutes later in 30 feet of water.

Within a few minutes after the crash had torn a huge hole in the steamer's hull, all the members of the crew and the passengers were safe in the steamer's two life boats, or in the boats sent out from the river bank.

First reports received in New Richmond and in Cincinnati, were that eight persons had lost their lives, but a careful check of the crew and the passengers later showed that all on the boat were accounted for. The boat itself, valued at \$15,000, and its cargo, which was one of the largest the boat had carried in recent months, were a total loss.

The steamer, in charge of Captain Jack Ward, of Gallipolis, left Cincinnati late yesterday for Charleston, W. Va., and way points.

Wife of Mate Rescued
One of the women passengers was Mrs. Lawrence Cropper, Manchester, Ohio, wife of the First Mate of the steamer. The identity of the other woman passenger was not learned.

At the time of the collision the steamer was being piloted by Ed. Barrows, Winfield, W. Va., one of the two pilots. Other members of the crew in addition to Captain Ward, were: Pilot, Captain George Hamilton, Point Pleasant, W. Va.; First Mate, Lawrence Cropper, Manchester, Ohio; Purser, Prescott Wilson, Manchester, Ohio; Clerk, William Field, Manchester, Ohio, and James Holloway, Gallipolis, Ohio; Steward, Ballard Lamb, Cincinnati, and more than a score of roustabouts and helpers.

Portsmouth Man a Hero
Joseph Shumate, 48 years old, 410 Tenth street, Portsmouth, Ohio, boat carpenter, former owner of the Bellevue Beach, Bellevue, Ky., was in his bunk, asleep, when the steamer hit the dam. The shock and the screams of the women awakened him, and he hurried from his cabin, and tools in hand, entered the hold of the sinking boat, hoping to caulk the hole in the hull.

The water rose rapidly as efforts were made to back the boat from the check post so that the steamer might be driven ashore before it sank, thereby saving much of the cargo. Shumate, who was groping his way through the dark of the hold, four feet high, felt the water encircle his ankles, his knees and

TREATY TO PREVENT FUTURE WARS URGED BY ELBERT H. GARY

NEW YORK, November 18.—Negotiation of a treaty which would prevent future wars was urged, in conjunction with an agreement to limit navies by Elbert H. Gary, chairman of the board of the United States Steel Corporation, in an address today before the American Iron and Steel Institute, of which he is president. He also belittled the suggestion that an armament limitation would reduce the manufacture of steel, saying the thought was unworthy of even a passing notice. Business was improving, he said, but there must be further adjustments.

"With an agreement for the limitation of capital ships," he said, "it would not seem to be practical to stop with less than a final treaty which will prevent future wars. In addition to what is contemplated by the limitation of armament, there should, with other things be an understanding that if any international differences arose, no resort to military force should be permitted until after there has been a conference and full discussion by all nations now participating in the deliberations at Washington."

"President Harding and the four selected able and experienced representatives of this country will energetically and persistently strive for an agreement. They realize their constituents are unconditionally and fervently supporting them in their campaign for peace and limitation of armament, and all this is true of each of the other nations."

He asserted that the international arrangement to be concluded must cover every kind of armament heretofore or hereafter discovered.

"The benefits which would be derived under peaceful conditions, as compared with military conflicts, are beyond calculation," he said, "if means for the firm establishment and maintenance of peace can be found and generally accepted to it will mark an epoch of the greatest business prosperity, as well as the largest measure of happiness that the world has ever witnessed. We should be thankful that this conference has been called."

Failure of the conference, he said, was unthinkable. An adverse outcome would be intolerable and those responsible for it would be repudiated and everlastingly condemned.

"No claim for personal or individual advantage not based on the principles of right and justice, in the opinion of the majority, would be entertained," he added.

He briefly dismissed the suggestion that less steel would be manufactured as a result of armament limitation.

"In the first place," he said, "the amount of decreases, if any, which is doubtful, would be small, and even though they might be large, no sane and right spirited person would consider pecuniary interest as of any importance when discussing national or international welfare."

Mr. Gary said it seemed to be generally conceded that business conditions throughout the country for the last six months had been steadily, if slowly, growing better. The volume of business in the steel industry had more than doubled in the last ninety days, he said, though profits had been little or nothing, due to high costs and low prices.

Toledo Gets Milk Supply

TOLEDO, O., November 18.—Toledo's "milk strike" which was declared effective last Wednesday morning by the Northwestern Co-operative Sales Company, an organization of farmers of this area, against Toledo distributors, has failed to inconvenience the milk consumers of the city, according to reports from dairymen here.

All the large Toledo distributors report that they have been able to get their usual supply of milk without bringing outside milk into the district.

A large percentage of the farmers who failed to ship their milk to the dairies on Wednesday, Thursday and today have sent word to the distributors that their usual supply will be brought to the dairies tomorrow.

The points of contention are an increase of 45 cents per hundred pounds in the price paid the producers and recognition of the Northwestern Co-operative Sales Company as the agent of the farmers.

Diaz Guest Of Columbus

COLUMBUS, O., November 18.—Columbus today was prepared to pay its respects to General Armando Diaz, Italian commander in chief during the world war. A full program awaits the general on his arrival here shortly after noon from Cleveland. Features of today's program included a parade, following which Mayor Thomas will present the general with a gold embossed memorial book, the gift of local Italians. In addition he will be the guest of honor at a luncheon given by the Chamber of Commerce and at a banquet tonight.

Tomorrow he will be the guest of Governor Davis at a luncheon at the executive mansion, following which he will attend the Ohio, State-Indiana football game.

U.S. AND ENGLAND HAVE AGREED ON WARSHIP PROGRAM

WASHINGTON, D. C., November 18.—(By the Associated Press.)—Great Britain has come to the arms conference. British authorities emphasized today, for the purpose of doing everything possible to enable China to assume her proper place in the commercial world.

With this aim in view, Great Britain is satisfied that this may best be attained through the open door and by leaving China free to carry out her own destiny.

LONDON, November 18.—The admiralty announced today that it had ordered the cessation of all work on the four battleships of the super-Hood type. The ship building firms were notified yesterday not to incur any further liabilities on new naval construction until further notice from the admiralty.

These contracts were awarded only two weeks ago. Officials explained that the practical effect of the admiralty's order would be the absolute cessation of all warship work pending the outcome of the Washington conference.

GLASGOW, November 18.—It is officially stated that the contracts awarded the Clyde Shipyards for the construction of three warships, of the super-Hood type, have been suspended. The steel works are affected by the suspension.

No Surprise To Washington What U. S. Naval Plan Means

WASHINGTON, D. C., November 18.—(By the Associated Press.)—Action of the British government announced from London today in ordering work stopped on the four capital ships of the Hood type, the only capital ship building program on which the British have been engaged since the armistice, came as no surprise here. There was much doubt even before the conference on limitation of armaments was called on President Harding that the British would complete these ships. Their status as to construction on most American tabulations has been carried as "doubtful."

In any case, deliberations of the technical commission headed by Assistant Secretary Roosevelt, and including highest naval officers of the five belligerents represented in the conference, appear to have reached a point where the capital ship ratio may be considered settled so far as the British and American fleets are concerned.

American-British Program Accepted
The American proposal that Great Britain retain 18 battleships and four battle cruisers and the United States 18 battleships seems to have been accepted by the experts, which implies final acceptance by the conference itself of that element of the program. The British admiralty order stopping work on the four new ships is only an added straw to show which way the wind is blowing. It is not clear, however, that the experts have as yet reached a conclusion as to Japan's fleet strength. Formal announcement yesterday by Admiral Baron Kato, heading the Japanese group, that Japan desired more than the sixty percent ratio in general naval tonnage allowed for her under the American proposal was taken as meaning that this is the point now being debated by the five admirals of the sub-committee and their staffs.

Japs Want Bigger Fleet
It has been said that the Japanese desired a fleet ratio to British or American strength of 70 instead of 60 per cent. Baron Kato did not disclose the actual figures, saying merely that he sought "a slight increase" in proportional strength. There is no doubt that this would be viewed by American naval opinion as a modification of one of the four "general principles" laid down by Secretary Hughes as those applied by the American delegation in shaping a reduction and limitation proposal upon an "entirely reasonable and practicable basis to the end that the just interests of all shall be adequately guarded and that national security and defense shall be maintained."

The third general proposition stated by Mr. Hughes was "that in general, regard should be had to the existing naval strength of the powers concerned."

This has application to the Japanese proposed modification as to tonnage ratio, it is said, in as much as Japan does not now possess even the sixty per cent ratio allowed under the American proposals.

May Be Difficult of Settlement
If the concrete terms of the Japanese counter proposal deal only with her desire to retain the new superdreadnought Mutsu, just commissioned, and if that figure out into a "slight" increase in general tonnage, it is possible an adjustment could be reached by recasting the list of specific ships laid down by Mr. Hughes as those to be retained by each power in the projected immediate reduction of existing forces. If the Japanese claim is for an actual higher ratio of naval power, however, and there is some indication that it is, the question will be more difficult of treatment.

Liberal Offer To Japan
There is no doubt that American naval opinion regards the original proposal of sixty per cent for Japan as extremely liberal in view of Japan's place in the roll of nations viewed from her economic or other interests as compared with those of Great Britain or the United States. The

plain fact of the matter seems to be in judgment of those American officials who will express opinions that they feel Japan is not entitled to such a naval force as might permit her to dominate the situation in Oriental waters should the issue in China or elsewhere in the Far East be brought at some future time to the test of war. The fleet ratio of Japan involves this point it is said.

Japan Don't Want More Subs
As to Japan's desire for equal tonnage with the other powers in a "purely defensive" type of ship, it is said, much would depend on what kind of a ship it is she wishes to maintain under this modification. Baron Kato said it was not submarines. That leaves light cruisers and destroyers, presumably. If it is light cruisers, as seems likely, probably an agreement can be reached quickly on this point as it is not material in estimates of fleet strength.

Cartwright as assistant hostess. Following the scriptural reading by Mrs. Charles Hück, members responded to the roll call with suggestions for Thanksgiving.

Mrs. C. W. Wendelken read an interesting article on "Thanksgiving Past and Present," which was generally enjoyed by the members. Miss Margaret Stahler gave two vocal selections "The Bird With the Brown Wing" and "Can't You Hear Me Calling, Caroline." Two readings "Master Johnnie's Next Door Neighbor" and "Sister's Best Friend" were given by Miss Dorothy Goetz.

Mrs. L. G. Locke, a delegate to the recent state federation at Cincinnati gave a comprehensive report of the meeting. Mrs. Cornelia Tremblant read a paper on "Women in Politics" which is specially opportune at this time, and the program was closed with a reading "A Thanksgiving Story" by Mrs. G. T. Elliott.

Guests for the afternoon were: Mrs. Lydia Jones, Mrs. William Eichelberger, Jr., Miss Dorothy Goetz, Miss Margaret Stahler and Miss Edna Burkel. A delicious two course lunch was served at 5 o'clock, unique little baskets filled with candy hearts being given as favors.

Field Student Meeting Of Y. W. C. A. Delegates

CINCINNATI, O., November 18.—Representatives of the Young Women's Christian Association from 47 colleges throughout Ohio and West Virginia will meet in Cincinnati at a three-day field student conference, beginning here this afternoon. At this meeting a convention committee to represent students at the biennial convention of the national organization at Hot Springs, Ark., next April, is to be appointed.

Miss Irma E. Vogt, dean of women at Ohio University, Athens, Ohio, will make a report this afternoon on the Estes Park conference. Other prominent Ohio and West Virginia educators will address the delegates.

Canopus, giant of the solar system, is said to be 49,000 times as bright as the sun.

You Must Beat Constipation Before it "Gets" your Health!

Do you realize that constipation will "get" you if you don't relieve this dangerous condition permanently? Do you also know that pills and cathartics are not only habit-forming but that in their temporary action they aggravate an already dangerous condition?

What you need is bran—a natural food—KELLOGG'S BRAN, cooked and krumbled. Bran is not a "remedy," but it is a wonderful natural cleanser that will actually free you from constipation if eaten regularly.

Results from eating Kellogg's Bran are astounding! Bran keeps the intestinal tract active; it sweeps, cleanses, purifies! Physicians endorse Kellogg's Bran for constipation. It is the ideal way to correct constipation through food. No guarantee that Kellogg's Bran will relieve constipation permanently if it is eaten regularly. You should also know that the consistent use of Kellogg's Bran clears up the complexion and prevents bad breath from stomach and intestines.

You and your family should eat at least two tablespoonsfuls of Kellogg's Bran every day. Eat as much more as needed for relief of chronic cases. It is not only palatable—but actually delicious! Its nut-like flavor is most appetizing. Children become very fond of Kellogg's Bran. And, it is wonderfully good as a builder of strong, healthy bodies!

Use Kellogg's Bran, cooked and krumbled, as a cereal, with your favorite cereal or in countless palatable ways like in muffins, raisin bread, macarons, gravies, paucakes, etc.

A Big Musical Treat At Eastland

Following a chautauqua tour marked with success where they delighted the critical patrons attending these sort of events, Kamaka's original native Hawaiians come to the Eastland Theatre tonight and Saturday, November 18, matinee daily.

If one likes Hawaiian music, the program offered on this occasion will be excellent, for these not particularly fond of these quaint melodies the program is evenly balanced with catchy, up-to-date popular numbers.

The main endeavor of Kamaka's Hawaiians is to please all, and while this is considered quite impossible, these artists have been wonderfully successful in delighting their audiences. The management of this theatre assures its patrons that in Kamaka's Hawaiians the attention is one of the best on tour and worthy of excellent support.

Prarie Road Is Not Submerged

Despite the fact that heavy rains fell on the Scioto river and it is rising rapidly, water has not reached the Prarie Road north of Piqueton. Motorists drove over this section of it as usual today. It has been built up and the Scioto must reach an abnormally high stage before the road is submerged.

The Movies

Don't Fail to See the Big Double Bill of Pictures and Music at the Eastland Theatre Tonight and Tomorrow Only. Matinee and Night, Kamaka's Royal Hawaiian Entertainers and Viola Dana in Her New Picture, "Puppets of Fate"—Also Jimmy Aubrey Comedy. Prices—Matinee, 10 and 20 Cents and Nights 20 and 40 Cents.

"Puppets of Fate"—what an intriguing photoplay! And Viola Dana—what a perfect actress for the role of poor little Sorrentina Palombina, the abandoned Italian wife, just the right one to portray the felicitous, dramatic scenes of this story, from the pen of the well-known novelist and short story writer, Donn Byrne.

This opinion will be echoed by all who see "Puppets of Fate," a Meter special, which had its first showing yesterday at the Eastland Theatre, where it began a run of three days.

Viola Dana stars as Sorrentina Palombina. Her husband Gabriel leaves Venice, and comes to New York to make a fortune with his marionette show. Instead he becomes rich as a gambler, forgets his wife, and is forced to marry a little adventuress. Sorrentina heart-broken, follows him, and after struggling with poverty herself wins love and riches through her wifeliness. Then her husband's luck slowly turns. The document transpires in a courtroom with a judge the arbiter of the happiness of both.

The supporting cast includes Francis McDonald, Jackie Saunders, Fred Kelley, Thomas Ricketts and Edward Kennedy. Dallas M. Fitzgerald directed the production. John Arnold and Sidney Ullman are respectively responsible for the charming photography and art work. This picture is from an original screen story by the well-known fictionist, Donn Byrne. Ruth Ann Baldwin and Molly Parro did the adaptation.

Ohio Rising Moderately

A rope properly spliced is bound together with that same over and under locking of the strands that is used in double stitching E-J shoes.

E-J Shoes are Sewed to Stay

Every time a boy's foot hits the ground after a jump it comes down with a firm, solid whack. His foot drives forward into his shoe and strains every seam. The stitches must be strong to hold!

It takes a sturdy E-J shoe to stand such wear. That's why wise parents insist on genuine Endicott-Johnson shoes. They've discovered that these low priced shoes last longer and cost less. They are carefully shaped and sewed into strong handsome shoes with seams lock-stitched to prevent ripping.

In black or brown. From \$2.00 to \$3.50 according to size. At shoe stores where you see the Red Square.

Will Start Movement To Enclose 17th Street Lot

A movement has been started to enclose the Seventeenth street athletic field.

It will require about \$1,000 to build an eight foot fence around it. If this is done and the grandstand is enlarged and there will be two ornate entrances to the field it would be one of the best in Southern Ohio. It is accessible from any section of the city and if enclosed everybody would have to pay to see any kind of a game where an admission would be charged.

"It should be by all means enclosed. It is the only thing to do," Coach Dan Fries of P. H. S. said Friday.

"I am willing to do my part to help build the fence. It will cost about \$1,000 to do this and I have the figures in my pocket."

Sept. Frank Appel, in discussing the project, says: "What we need is a fence around the park. It would help all football and baseball games. I will do my part to help build it."

The school board is favorable to the improvement and it is quite likely that Coach Fries and members of the Chamber of Commerce will open the fence building campaign next week.

With two elaborate entrances and a roofed grandstand the field would be a beauty.

Constablewoman Gives Bond

Mrs. Dora K. Riekey and Mrs. Eunice Bennett, constablewomen-elect of Madison township took the oath of office Thursday and gave bond. They will begin their new line of work January 1.

Present Madison township is without a constable as Lorin Fraier, who elected two years ago refused to fulfill the duties of the office.

Those who know Mrs. Riekey and Mrs. Bennett say they will discharge the duties of their offices in a conscientious and fearless manner. They say they will go after all violators without fear and favor.

From present indications Madison township will be a rather lively and interesting section of the county with the ushering in of the new year.

CINCINNATI, O., November 18.—Continued heavy rains over the Ohio valley have caused a decided rise in the Ohio river and its tributaries. The gauge at Cincinnati this morning registered 26.7 feet, a rise of nearly 10 feet since yesterday morning. The Licking river was running out rapidly this morning, the result of heavy rains in the Kentucky district.

Government Weather Forecaster Devereaux made no prediction as to the crest of the rise. More rain is predicted for tonight and Saturday.

The Ohio river here at 2:00 p. m. registered 26.8 and was rising about two inches an hour. Rivermen say the Ohio may not exceed 30 feet on its present rise.

WOMAN SENTENCED

AKRON, O., November 18.—Mrs. Hilda Lowe, 29, on trial in common pleas court in connection with the death of her five-year-old stepson, today changed her plea to guilty. She was sentenced to the Marysville Reformatory for women for a term from one to twenty years.

Mrs. Lowe was arrested last August on a charge of manslaughter after Ralph Lowe, aged five, had died from injuries alleged to have been received in beatings administered by his step-mother. Pictures of the boy's body, exhibited in court, and description of the bruises, brought tears to the eyes of many of the women spectators.

Coroner C. H. Kent had testified that the boy's neck was broken shortly before Mrs. Lowe changed her plea.

A very common cause of constipation

Poor appetite is now known to be an important factor in this condition

ARECOGNIZED authority on the subject of constipation maintains that "a poor appetite is a very common cause of constipation, especially in women." A certain quantity of food is necessary for the intestines to function normally.

The same authority also says: "Insufficient food leads directly to emaciation and physical weakness as well as to constipation; it causes the already depressed nervous system to deteriorate still further, and this reacts again on the digestion, so that the dyspepsia and constipation become more severe."

Under such conditions Fleischmann's Yeast has remarkable value as a laxative food and conditioner. It furnishes a large amount of the water-soluble vitamin which helps all the processes of digestion, and, in addition, because of its freshness (you get it fresh daily) it helps the intestines in their elimination of poisonous waste matter. Thousands are adding Fleischmann's

Yeast to their daily diet, and by eating regularly from 2 to 3 cakes a day are restoring and maintaining normal action of the bowels.

Fleischmann's Yeast is a pure, fresh food assimilated like any other familiar food. Eat it daily—have it on the table at home. Have it at your office and eat it at your desk. Get it at your lunch place. You will like its fresh, distinctive flavor, and the clean, wholesome taste it leaves in your mouth. Only one precaution: if troubled with gas dissolve the yeast first in very hot water. This does not affect the efficacy of the yeast. Place a standing order with your grocer for Fleischmann's Yeast.

Send 4 cents in stamps for the booklet, "The New Importance of Yeast in Diet." So many inquiries are coming in daily for this booklet that it is necessary to make this nominal charge to cover cost of handling and mailing. Address THE FLEISCHMANN COMPANY, 701 Washington Street, New York City.

The need for scientifically tested yeast

Fresh yeast has been proved by recent scientific tests to be a valuable food for correcting run-down condition, constipation, indigestion and certain skin disorders. These original tests were all made with Fleischmann's Yeast. Beware of untested yeast-vitamins preparations that contain drugs or other mixtures. Fleischmann's Yeast (fresh) is a pure food, rich in vitamins, in which it measures up to the high standards set by laboratories and hospitals. The familiar tin-foil package with the yellow label is the only form in which Fleischmann's Yeast for Health is sold.

Participants Arrested

George P. Davis, court room, was the scene of a near "free-for-all" fight several days ago at the conclusion of a case when the defendant acquitted of an alleged moonshining charge sought revenge from the men filing the charge against him. The court room was packed and for a while it looked as if many of the spectators would become mixed up in the trouble. During the hottest part of the case the court stenographer, Miss Mildred Watson, jumped out of one of the windows of the court room. P. M. Coleman, Miss Zetta Coleman and R. O. Howley were being tried on charges of alleged moonshining. Prosecuting Attorney Holderness was assisted by C. E. Roopack of West Virginia. The defense was represented by Attorney R. A. Bailey of West Virginia and W. L. Hostetter of this city. The defendants were acquitted of the alleged charge.

Just as court adjourned Mr. Coleman tried to even up matters by jumping on Bruce McGlowe, who he claims filed the charge against him. Three constables had a great deal of difficulty in restoring order.

When the smoke of battle had cleared away it was found that no one had been seriously injured. All participants in the fight were promptly arrested for contempt of court.

SCOUT NEWS

Aulus Odell, a member of Troop No. 11, at Scottdale, was certified as an Eagle scout last night at a Court of Honor meeting at Scottdale. He is the 14th scout to attain this honor since the organization of boy scout troops in this city 11 years ago. He completed the requirements for an Eagle scout last night when he passed the examination for bird study. He was awarded three merit badges last night for automobilizing, cycling and bird study.

Other merit badges were awarded to the following: Charles Boyd, camping, pioneering and masonry; Donald Dever, masonry and pioneering; Rich and Turner, cycling.

Rev. Charles Reinhardt of the Scottdale Christian church is scoutmaster.

Services On Mabert Road

Splendid services were held at The Portsmouth Baptist church on Mabert Road and Seventeenth street last night and were enjoyed by a good crowd. The evangelist, Brother W. A. Hay, is surely gaining the hearts of the people.

The song leader, Prof. Day, certainly thrilled the hearts of the people with the good old gospel song.

The evangelist brought a powerful message on the subject "Watch and Pray."

He related the sad scene of Jesus in the garden, before He was crucified, when He asked His Disciples to watch and pray—Jesus asked His Disciples to watch and pray lest they enter into temptation.

He showed plainly why the church wasn't bringing more souls to God is because they failed to pray, they are sleeping, precious souls are going to hell by the multitudes. He entreated the Christians to awake to duty and hold up a Saviour to the lost that could be saved from sin.

At the close of the message two came forward for prayer, much conviction is on the people.

Everybody is invited to these meetings. Come and hear Brother Hay. If you are a Christian the messages will bless your soul; if you are un- saved it will make you hungry for real old time salvation.

Services begins at six-thirty, come early.

Faust Would Have To Stay Up All Night

"My friends smile sometimes when I begin to talk about Taulac, but I don't mind it a bit, for I have tried it and know what it will do," said B. F. Faust, 104 Park Ave., Akron, Ohio.

"A few years ago my stomach got out of order and I hardly ever ate a meal without having a severe attack of indigestion afterwards. I had awful smothering spells at times too, and often had to get out of bed and sit up the rest of the night in order to get my breath. I felt drowsy and tired and was barely able to drag myself around."

"I'm not like the same man now. I eat anything I want, sleep like a top and get up in the morning feeling fine and ready for work. Taulac deserves everything good that I can say about it."

Taulac is sold in Portsmouth by The Fisher & Street Pharmacy and by leading druggists everywhere.—Advertisement.

The Manualo

"The Player that is all but human"

will fulfill all your desires. It will fill your home with harmony.

The ideal of player pianos has been realized in the Manualo. For durability, compactness and ease of pedaling it has no equal. It is individual, unique, different and distinct from any player made.

We ask you to inspect the Manualo feature for feature and you will see what a great step in advance it is. Note the compactness of the whole mechanism. This prevents the disagreeable muffing of tones, which you have noted in other players, and enables all registers to sound clear and strong.

Note, too, how all unnecessary connections and wirings are done away with. There are no useless intermediary parts. There are no complicated attachments. There is little or no danger of trouble.

The Manualo is found exclusively in the pianos made by The Baldwin Company: The Baldwin Manualo, The Ellington Manualo, The Hamilton Manualo, The Howard Manualo.

Sermon Lecture Series

At the Sunday evening services at the United Brethren Church during the next five weeks the pastor, Rev. E. H. Dalley is planning to give a series of five Sermon-Lectures on the Life and Works of St. Paul. This series commencing at the very close of the period devoted to the study of the life of Paul in the International Sunday School lessons is sure to attract much attention among Bible students throughout the City.

The dates and the topics to be discussed are as follows:
Nov. 20, Paul the World Character.
Nov. 27, Paul the Persecutor.
Dec. 4, Paul the Missionary Evangelist.
Dec. 11, Paul the Martyr.
Dec. 18, Paul the Interpreter of Christianity.

The general public is invited to attend these Sunday evening discussions.

Visit the Indoor Market, opposite N. & W. freight depot. Open 8:30 to 11:30 a. m., 2:30 to 5:30 p. m.

Contractors At Work

After financial effort for the past three years to raise money for the new church, members of Pleasant Green Baptist church have started the erection of a new edifice. Money was first raised to buy a lot on the corner of Fifteenth and Waller streets costing over \$3,000.

Contractors are now at work on the basement which will be finished as soon as the weather permits and allowed to settle until spring when work on the building will be started. Members of the church under the guidance of Rev. D. R. Reed, pastor, are to be congratulated for their efforts as most of the money was raised by the members without solicitation. The church will be constructed entirely of brick at a cost of about \$30,000.

Your floor troubles are at an end when you use St. Nicholas.

Sermon—Lectures

Sunday evening, Rev. E. H. Dalley of the United Brethren church will begin his series of sermon-lectures on the "Life of Paul." The sermons will cover all of the events in the life of the great apostle, and take up every phase of his work. The topics are:
Nov. 20—Paul, The World Character.
Nov. 27—Paul, The Persecutor.
Dec. 4—Paul, The Missionary Evangelist.
Dec. 11—Paul, The Martyr.
Dec. 18—Paul, The Interpreter of Christianity.

The last of the series will be delivered on the Sunday evening before Christmas.

No flour in all the world enjoys such universal favor as St. Nicholas. The leading grocers sell it.

SOCIETY

Mrs. Ellen Stanton and daughter, Miss Nellie Stanton, and little Miss Mary Vallee Harrell returned last night from a few days' visit in Cincinnati.

Members of the Myotis Club were pleasantly entertained by Mrs. C. E. Brooks, 1725 Logan street, at her home yesterday afternoon. Needlework and music were the pastime, after which a dainty two course lunch was served.

The following women enjoyed Mrs. Brooks' hospitality during the afternoon: Mrs. Herbert Heath, Mrs. Walter Crabtree, Mrs. George Pressler, Mrs. Charles Correll, Mrs. J. W. Burke, Mrs. Walter Clausen, Mrs. Marshall White and Mrs. Frank Broomhall.

Miss Mary Hobstetter, 812 Grimes avenue has returned from Huntington where she attended the wedding of her brother Philip Hobstetter and Miss Anna Louise Schumacher held in that city Wednesday.

The Peerless Auxiliary of the Spanish War Veterans will hold a rummage sale at the Eleventh street school building Friday, November 25th. All members having donations are requested to bring them to the George Carroll shoe shop on Gallia and John streets before Thanksgiving.

The Mauly Ladies Aid Society will give a bazaar sale tomorrow at Jordan's Grocery on Eleventh street.

Mr. and Mrs. Conrad Roth were among the many local people who were motored in Chillicothe today to attend the Chillicothe-Hill-Portsmouth 25 football game.

Miss Lena Hauck of Offense street is visiting relatives in Columbus.

Miss Helen Dunn is expected home this evening from a few days' visit in Cincinnati.

The Loyal Brethren of the First Christian were hostesses of a delicious dinner in the basement of the church today, in honor of the birthday of Mrs. Charles R. Oakley. The honor guest was presented with dozen pink and white carnations and a three layer cake mounted with the requisite number of candles.

Mr. and Mrs. John Snyder have returned from a short visit in Cincinnati.

Mrs. H. S. Grimes and Mrs. Harry E. Taylor entertained with a charmingly informal bridge party this afternoon at her home on Second street for the pleasure of Mrs. George W. Grimes of Hyde Park, Cincinnati, who is the house guest of Mrs. Joseph S. Rardin. The guests were old time friends and neighbors of Mrs. Grimes during her residence in this city. After a merry game of bridge the hostesses served a delicious two course tea to the following guests: Mrs. George W. Grimes, Mrs. Joseph S. Rardin, Mrs. G. D. Waite, Mrs. M. H. Longfellow, Mrs. S. M. Johnson, Mrs. John A. Grimes, Mrs. J. L. Watkins and Mrs. Charles Hall.

The Ladies Auxiliary to the Railway Conductors have postponed their monthly social from November 24th to December first, by order of the committee.

The Woman's Relief Corps will meet tomorrow afternoon at two o'clock in the basement of the library. All members are urged to be present.

The G. P. A. Class of young ladies of the Second Presbyterian church, taught by Mrs. W. E. Gault will hold a bazaar sale Saturday afternoon on the Market square. In case of rain the sale will be held at Weple's meat market on Gallia and Findlay streets.

SOCIETY

Mr. and Mrs. Roy Copley and little daughter Imogene of Johnstown, Pa. are visiting relatives of this city.

The Woman's City Club will meet Monday afternoon November 28th at 2:30 o'clock in the High school auditorium with the teachers of the city as guests of honor. The speaker of the afternoon will be Miss Lucie B. Johnson, who will talk on Child Welfare work. Miss Johnson will begin her lecture at 3:15 and it is hoped all members will be in their places when the lecture begins. A special program will be given in connection with the lecture.

The Civic class of the Woman's City club will meet next Tuesday afternoon at four o'clock in Room 104 of the High school, with Miss Margaret Hiler as teacher. Those present at the first meeting found the lessons so profitable and interesting that a larger attendance is expected at the meeting next Tuesday. Members of the club are given the lessons free and non-members are charged 25 cents.

Six hundred people were served at the turkey supper and bazaar given by the different groups of the Trinity Ladies' Aid at Trinity church last evening.

Five hundred and fifty tickets were sold and the other fifty included the kitchen and dining-room assistants. The ladies were unable to take care of at least one hundred and fifty persons who applied for tickets to the supper last evening, but next year they hope to make arrangements to handle a much larger crowd. The supper was under the direction of the General Aid Society of the church, the executive staff of which is composed of Mrs. J. E. Taylor, Mrs. John T. Freese, Mrs. George Deumler, Mrs. H. C. Adams, Mrs. Harry Cranston and Mrs. Charles Mohr. These ladies were assisted by all the ladies of the church. The bazaar was in charge of the various Group chairmen and the officers of each group. These include: Group 2--3, chairman, Mrs. James McMillen; Group 4, Mrs. W. E. Mann; Group 5, Mrs. A. H. Dunn; Group 7, Mrs. Emil Arthur; Group 8, Mrs. Nettie Dray; Group 9, Mrs. Ray Searles; Group 10, Mrs. W. T. Hill; Group 11, Mrs. Charles Wright; Group 12, Mrs. Frank Hawkins; Group 13, Mrs. Gus McMiller; Group 14, Mrs. Roy Prather; Group 15, Mrs. E. E. Selig.

The bazaar represented articles from every member of the congregation. All kinds of fancy work were sold, many people taking advantage of the bazaar to purchase their Christmas presents. Music during the evening was furnished by Miss Alice Bink's Orchestra and by a "New Edison" Phonograph kindly donated by Rice Brothers. The ladies in charge of the affair feel very grateful to the members of the congregation, and those outside the church who helped to make the supper and bazaar a grand success.

Between the hours of four and eight o'clock tomorrow afternoon and evening the girls of the Community club will enjoy a tea and dance. Music for the occasion will be furnished by Davidson's orchestra. The affair will be held in their club rooms over Tripp's automobile sales room, 631 Chillicothe street, and will be under the auspices of the Bureau of Community service. Miss Mary Griffith and Mrs. E. S. Gillman will have charge of the arrangements and look after the guests. One thousand invitations have been issued to the girls of Portsmouth and it is expected that many will call during the hours specified.

Dependable Footwear At Reasonable Prices

Good Shoes Cost Less Than Cheap Shoes

So many people, in the purchase of shoes, figure the first cost. They buy a pair of \$2.98 shoes, hoping they will wear like a pair of \$8.00 ones. They soon learn their mistake, but like the fellow who used to play the Louisiana lottery keep trying, hoping they will hit it sometime or other.

Facts are they haven't as much chance as the fellow who played the lottery game—they had the same chance as the fellow who went up against the shell game—no chance.

Reason In All Things, Friends

When you buy a pair of shoes here, there is no chance—you know you get solid leather and solid comfort—shoes that will not rip and allow the moisture to perforate—shoes that hold their shape, stand two or three pairs of half soles, and look good until the day you discard them.

The human family would save millions on the shoe bill were cheap, trashy shoes not made—there would be less shoes made—less repair bill—better health—more comfort—rosier cheeks—longer life—think it over.

We carry good shoes for every member of the family—and they will cost you less in the long run.

Scioto County A Leader In Red Cross Activity; Local Official Is Promoted; Will You Help Good Work Along?

Scioto county has taken a most advanced rank in Red Cross efficiency, as is shown by the fact that the Great Lake division known all over the world as a leader in Red Cross activity has taken the Scioto county work. Miss Columbia White, to join the staff of the Cleveland organization and to have direct charge of 38 Kentuckian counties. The work being done here has caused much favorable comment from high Red Cross officials, and when the decision was made to extend the work in Kentucky, the local official was chosen as best fitted to carry on the supervision. Announcement of Miss White's promotion is given out in the following from the local Red Cross.

Cross has consented to release the Home Service Secretary, Miss Columbia White, to become a member of the field staff of Lake Division. Miss White leaves tomorrow to take up her new duties as Field Representative in North Central Kentucky. She has thirty-eight of the counties in this territory under her supervision and is expected to organize the same kind of work in each of these where there is no organization as she has been instrumental in launching in Scioto county. Her headquarters will be at Lexington, Ky. Being a graduate of Kentucky University, which is located there and numbering among her friends, acquaintances and relatives in all these counties, she anticipates a pleasant experience in this new field of endeavor.

Agree To Wage Cut

The Huntington Herald-Dispatch Friday morning said: The carpenters of Huntington met a number of the general contractors in a meeting last night and voluntarily made ten per cent wage reduction, effective Saturday, November 20, 1921, and to expire May 1, 1923. This makes the scale thirty cents an hour. Announcement of the action was made by J. H. Bond, business agent for the carpenters.

PASTY-FACED MAN HAS POOR BLOOD

GROWING DEAF WITH HEAD NOISES? TRY THIS

If you are growing hard of hearing and fear Catarrhal Deafness or if you have ringing, rumbling, hissing noises in your ears go to your druggist and get a box of Parmit (double strength) and add to it 1-4 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day. This will often bring quick relief from the distressing head noises. Closed nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who is threatened with Catarrhal Deafness or who has head noises should give this prescription a trial.—Advertisement.

Still Explodes; Woman Burned

TOLEDO, O., November 18.—Mrs. Anna Pietkowski was burned seriously here last night when a still exploded on a kitchen stove in her home. After firemen extinguished the blaze, police seized three barrels of mashi and a quantity of liquor. The woman, several weeks ago, figured in a police court case in which her husband was jailed for trying to auction her off to a Russian admirer for \$1.15.

Election Board Pays All Bills

The election board met last night and paid all bills of the recent election and looked after other routine matters. It will be open till midnight tonight when the time for candidates to file their expense accounts will expire. Many were filed Thursday and the candidates were busy today figuring up how much their victory or defeat cost them.

Eleven Candidates

Department Managers' Sale

The Sale With A Personal Guarantee

Saturday's Shopping will be Profitable if done at the Department Managers' Sale

This morning we began our second annual Department Managers' Sale. This is a personally guaranteed sale in which each buyer has secured his own merchandise and named his own prices. Further than that, each department manager has appeared in print with statements regarding his specials and each one feels that his prices are low enough to attract all our old patrons and hundreds of new ones.

The buyers whose pictures appear in this advertisement, all guarantee personally the specials in their various departments as advertised in last night's Times. You may be sure they know whereof they speak and that their bargains are really exceptional else they would not be willing to make their personal indorsement so public.

Miss Dolly Wise

She is here to answer any and all questions concerning love, matrimony, troubles, woe, etiquette, etc. Inquiries should be addressed to Miss Dolly Wise, care The Daily Times, Portsmouth, Ohio.

Dear Miss Wise—Will you please tell me if the soldiers' bonus bill was passed on in Kentucky this year, or have they already paid their soldiers. EX-SOLDIER.

Kentucky did not vote on the bonus bill at the last election. The state has not done anything for their soldiers.

Dear Dolly—I have very weak eyes and have already suffered death with them. I'm very near blind, worse at times than at others. Have you glasses for some time but they do not seem to do me any good. I am worried to death for I know it would be awful to be blind. Dolly, I have been told that there is a government hospital for trachoma at Pikeville, Ky., and I was wondering if you could give me the address of one of the doctors there. Does each state have a government hospital? A READER.

There is a government clinic in Kentucky which is moved from place to place. It was located temporarily at Pikeville. Why don't you call at the

free clinic in the Turkey building or the dispensary on Gay street? Did you consult the Red Cross or the Bureau of Community Services? Trachoma can be cured if you will have your eyes looked after in time. If you can afford it, would advise you to go to a good eye specialist and follow his advice and treatment.

Dear Miss Wise—Will you please give me the name of the supervisor of the D. T. & J. railroad?

TIMES READER.

Henry Ford owns the D. T. & J. Railroad. Dearborn, Michigan. Or you might write to the D. T. & J. offices, Detroit, Michigan.

Dear Dolly—I wonder if you could get me a little girl from eight to twelve years of age. My husband works at night and I need someone for company. I could give a girl a good home and would treat her as my own. Would take a girl temporarily or adopt one if necessary. MISS X. Y. Z.

I have this woman's name and address.

Dear Dolly—I am a young married woman, with two small children both boys, one 4 years old and the other 3 year of age, and I am deeply in trouble. My husband has never supported us in any way since we were married. Now he has left me and I would love for you to give me your advice as to what to do. You know it's hard for me to go to work as I have no one to care for my children, and I cannot take them with me. I would like a place somewhere that I could be with my children, or some one to care for them, while I could work. Now Dolly, I am a good mother and have tried every way to please and to get along with my husband but would do nothing that would bring for him and his family. I would also like for you to tell me how I could locate him so as to make him support us. I will be greatly pleased with your advice, as I know you have helped others. MISS W. P.

You can go before the Municipal Judge and swear out a warrant for his arrest on a non-support charge. You should have done this long ago. A man who refuses to support his family should be given a horsewhipping and put in the work house.

Dear Dolly—Will you kindly tell me how to make corn starch beads? Dolly, how many hours should a young girl work a day, doing housework. B. D.

Corn Starch Beads.—Take one cup of fine table salt and make it very hot. Dissolve one half cup corn starch in one-half cup cold water. With the corn starch solution mix the coloring matter, red ink, bluing, or Easter egg dye. Now remove the salt from the fire and while it is very hot add the colored mixture. Work with the hands into a smooth dough. Wrap in a damp cloth and break off pieces of equal size, molding them into beads. Remember that they shrink in drying. String them on a hatpin for several days. Polish by rubbing with a cloth that has been dipped in sweet oil. They may be strung with steel, gilt or glass beads if so desired.

The law relating to the employment of minors is as follows: No girl under the age of eighteen shall be employed, permitted or suffered to work in, about or in connection with an establishment or occupation for more than six days in any one week, nor more than eight hours in any one day, or before the hours of seven o'clock in the morning or after the hour of six o'clock in the evening. The presence of such a child in any establishment shall be prima facie evidence of its employment therein. No girl under the age of 21 shall be employed, permitted or suffered to work in, about or in connection with any establishment for more than six days in any one week, nor more than fifty hours in any one week, nor more than nine hours in any one day, except Saturday, when the hours of labor in mercantile establishments may be ten hours, or before the hours of six o'clock in the morning or after the hours of ten o'clock at night. In estimating such periods the time spent at different employments or under different employers shall be considered as a whole and not separately.

R. E. R. Selotville—The person you inquired about is an Episcopal and was married by an Episcopal minister.

RUSSELL—I doubt if there is anyone living today who could give you definite information on the subject. Of course, you know that there is no one

living today who knows just what was in the place you mentioned. They would just have to make a guess at whether they were genuine or not. Why not polish them up, put them on exhibition and tell your friends that they are heirlooms or relics of past centuries and let it go at that.

SOCIETY

L. E. Plymale, N. & W. general yardmaster at East Portsmouth, returned Thursday from a two weeks trip to California. He was accompanied to the Golden Gate by his wife and she will remain on their farm which is situated near Bakerville.

The Huntington Herald Dispatch of local interest Friday morning said: "Mrs. J. Walter Barnes of Charleston, president of the West Virginia Women's Christian Temperance Union, and Mrs. A. H. Davidson of Huntington, Cabell county president, have been appointed delegates to the Anti-Slavery Convention to be held in Washington, December 8-9. The appointments were made by Governor Ephraim Morgan of West Virginia."

Mrs. Davidson formerly resided here.

Mrs. Richard Tremper and Mrs. High Tremper were joint hostesses of a delightful bridge party this afternoon at the home of Mrs. Richard Tremper, 213 Washington street. The rooms were beautifully decorated with large bowls and baskets of roses. After several hours of bridge the guests were served with delicious refreshments. The two out-of-town guests, Miss Mae Patterson of Detroit, Mich., and Miss Charlotte Bannan, were presented with bouquets, and each guest was given a lovely rosebud. Those who enjoyed the hospitality of the two charming young hostesses included Mrs. Howard Williamson, Mrs. R. D. Briston, Mrs. A. E. Singleton, Mrs. C. M. Searl, Mrs. H. Temple Barber, Mrs. Ralph Marting, Mrs. Frank Webb, Mrs. R. B. Lukens, Mrs. Louise Erdman, Mrs. Heron Johnson, Mrs. Howard Feyler, Mrs. Howard Gahres, Mrs. J. W. Jones, Miss Emma Johnson, Miss Margaret Legler, Miss Mae Patterson and Miss Kate McConnell.

Honoring her charming guest, Mrs. E. Temple Barber of Detroit, Mich., and Miss Charlotte Bannan, who recently returned from Paris, France, Mrs. Clinton M. Searl presided at a beautifully appointed duck dinner last evening at her home on Franklin Boulevard. Roses and chrysanthemums were effectively used in the decorations and the tempting menu was attractively arranged on small tables at which covers were laid for Mr. and Mrs. Joseph Peabody, Mr. and Mrs. Richard Tremper, Mr. and Mrs. Harry E. Taylor, Mr. and Mrs. H. E. Cook, Dr. and Mrs. Howard Williamson, Mr. and Mrs. Russell W. Anderson, Mr. and Mrs. Frank E. Adams, Mr. and Mrs. Harry W. Miller, Mr. and Mrs. Clinton Searl and the two honor guests, Mrs. H. Temple Barber and Miss Charlotte Bannan. Following the dinner the evening was spent in playing bridge and dancing.

Mrs. W. G. Hainstead and Miss Flora McGinnis of this city were dinner guests at the Blue Lantern tea room in Huntington yesterday.

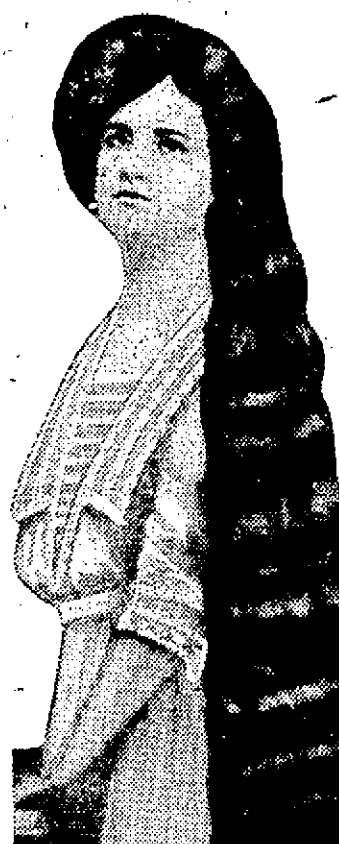

Mrs. Wade Kennedy of Columbus is visiting Mrs. Charles Spencer of Franklin Avenue.

Mrs. R. O. Brady of Eleventh street has returned from a six weeks' visit with her son and daughter-in-law, Mr. and Mrs. Roscoe Brady in Chicago.

"Danderine"

Grows Thick, Heavy Hair

35-cent Bottle Ends all Dandruff, Stops Hair Coming Out

Ten minutes after using Danderine you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp. Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them, helping the hair to grow long, strong and luxuriant. One application of Danderine makes thin, lifeless, colorless hair look youthfully bright, lustrous, and fast twice as abundant.—Advertisement.

The following cards have been received by friends and relatives here:

Mrs. Louise Schumacher announces the marriage of her daughter
Annet Louise

Mr. Philip D. Holstetter on Wednesday, November sixteen (between hundred and twenty-one Huntington, West Virginia

At Home
After December fifth
1630 Sixth Street,
Portsmouth, Ohio.

This morning's Huntington Herald-Dispatch contained the following account of the wedding of Mr. Holstetter and Miss Schumacher.

The marriage of Miss Annet Louise Schumacher of 1817 Washington avenue and Philip D. Holstetter of Portsmouth, Ohio, was solemnized Wednesday night at nine o'clock in the parsonage of the First Congregational church of this city. Rev. Fred W. Hagen, pastor of the church, performed the ceremony. Only members of the families of the contracting parties and a few intimate friends were present. The bride is well known in both resident and business circles of this city. She has for some time sung in the choir of the First Congregational church and has held a responsible position with the Huntington Trust Company. The bridegroom is foreman of a Portsmouth shoe factory. Mr. and Mrs. Holstetter left following the ceremony for Portsmouth, where they are to make their home.

One of the most interesting events in the city was organized Thursday afternoon when the consanguineous met at the home of Mrs. Thomas Grant East on Gay avenue, for the purpose of forming a "Mothers' Club." The members plan to meet every other Thursday at the home of one of the members, bring their babies, sew for them and exchange ideas about how to bring them up. Before adjourning the mothers and their babies were served with many refreshments. Those at the initial meeting included Mrs. H. G. Lewis and son Wayne, Mrs. E. S. Glimmer and daughter Ruth, Mrs. E. L. Green and son Harold, Mrs. Don Nichols and son John, Mrs. Albert Thacker and son Ralph, Mrs. Oscar Burkhardt and son Junior, Mrs. G. E. Moll and daughter Edwina, Mrs. Charles Martin and daughter Alma, Mrs. E. T. Jones and daughter Catharine.

The Misses Harriet and Lillian Mitchell were hostesses to the members of the J. G. C. Club last evening at their home, 1527 Fourth street. Fancy needlework and social chat were the diversions of the evening, after which a delicious lunch was served. Before adjourning the members planned for a passing party to be held some time next month. Those present included the Misses Bess Coffey, Minnie Franck, Harriet and Lillian Mitchell. The next meeting will be with Miss Bess Coffey on Grant street.

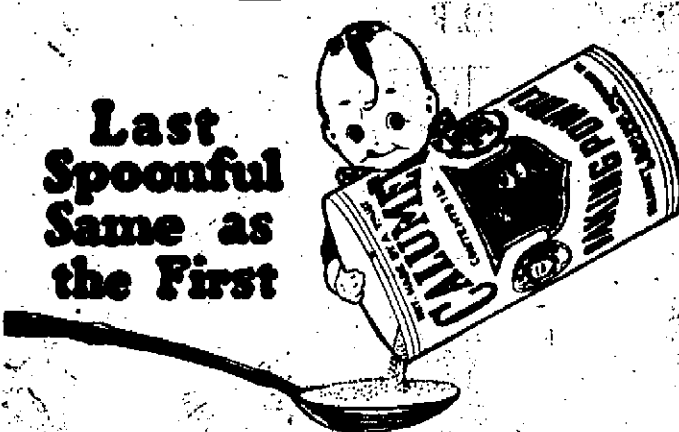

The members of the Scollis club enjoyed a delightful meeting last evening at the home of Mary Margaret Kohn, 1527 Sixth street. Music, dancing and needlework were the diversions of the evening, after which the charming young ladies served a delicious refreshment course to the Misses Dolores Miller, Mary Margaret Wellman, Mary Martha McMahon, Jane Snyder, Dorcas Lillick, Evangeline Justice, Regina Billian and Mary Margaret Kohn.

Mr. and Mrs. Frank H. Price of Fifth street motored to Columbus today for a week-end visit with relatives. While there they will attend the State-Indiana football game.

Mrs. H. Temple Barber, who has been the charming guest of Mr. and Mrs. Clinton Searl for the past two weeks, will return to her home in Detroit, Michigan, Sunday.

Last Spoonful Same as the First

Calumet is made under such exacting conditions—packed in such a scientific manner, that its leavening strength and purity never vary. It retains its original strength for months after leaving the factories.

When you tip the can to get the last spoonful, you know your baking will turn out all right—the last spoonful is the same as the first. This uniform quality of

CALUMET BAKING POWDER

is cause for its big demand. Housewives know they can depend upon the results obtained—that climatic conditions or temperature cannot deteriorate its positive leavening power.

When you buy baking powder remember these facts—that a uniform leavener means bakings that do not vary in quality—that Calumet is uniform.

A pound can of Calumet contains full 16 oz. Some baking powders come in 12 ounce instead of 16 ounce cans. Be sure you get a lb. when you want it.

This morning's Huntington Herald-Dispatch had the following of local interest:

Mr. John C. Mayo of Ashland, Ky., has asked a number of guests to motor to Louisville to attend the Centre-Washington and Los Angeles game to be played there Saturday. The party composed of Miss Mary Eugene, Miss Catherine Enslow of Huntington; Miss Elizabeth Conley of Louisville, Ky.; Mr. Forest Williams of Portsmouth, O.; Mr. Neal Conley of Louisville, Ky., left yesterday evening for Ashland to be the guests of Mr. Mayo. They will leave this morning for Louisville, where they will be joined by Mrs. Frank Enslow and Miss Janet Hatch of Huntington.

Miss Helen Hazeneyer returned to her home in Butler, Ky., today after a delightful visit with Miss Bess Elato of Fifth street.

The Philanthropic Class of the First Baptist church will meet next Tuesday evening at the home of Mrs. Preston Child, 615 Fourth street. The assisting hostesses will be Mrs. Herman Kitch, Mrs. Roy Ferguson and Mrs. Charles Woods.

IOWA STAR LEADS WEST IN SCORING

Captain Aubrey Devine of the University of Iowa is the leading scorer among the Western Conference players. Devine had a big day yesterday, scoring four touchdowns and kicking six goals, bringing his total points for the conference games to 66. Elliott of Wisconsin is second with 42 points. Devine has played a remarkable game for Iowa this year at quarter and seems to be the general choice for that position with most experts who are now figuring on their All-Western team.

The Bon TonONLY EXCLUSIVE LADIES SHOP IN PORTSMOUTH
FIFTH AND CHILLICOTHE STREETS**Suit Means Gas Co. Must Make Refund**

The Ironton Register Thursday said:

"Again the city wins the natural gas case. The court of appeals at Portsmouth late Thursday afternoon decided a point for the city which leaves the suit as it was decided by the supreme court of Ohio.

"After the high court had held for the consumers, A. R. Johnson, for the gas company, asked leave to file an amended petition in the circuit court of appeals. Leave was granted and the petition was filed several days ago. City Solicitor O. E. Irish demurred to the petition and the demurrer was argued last Monday at Portsmouth.

Today the circuit court handed down its decision sustaining the demurrer to the petition filed by Mr. Johnson.

This means that the gas company will have to refund certain sums of money to all consumers in Ironton.

Officials Are Investigating Wreck

HAMDEN, O., Nov. 18--B. & O. No. 54 dbe out of Portsmouth at 3:00 p. m. was wrecked at Belpre about 7:45 p. m. Wednesday. Running at a high rate of speed and coming into Belpre they ran into an open switch and into the rear of a section of 94 merchandise and stock train. Engineer B. F. Cook on the passenger train who lives here--was thrown from the seat box when they hit the switch and was unable to get his train under control. He and Fireman escaped injury. Conductor J. Huff of Athens, Baggage Master Tom Lewis, of Hamden, Brakeman Wade all on the passenger train were injured but not seriously. One passenger, a baby about a year and a half old had its lip slightly cut. The caboose, car of feed and a car of hogs caught fire and burned. Some of the hogs escaped. The engine of the passenger train was badly damaged. Officials are investigating the wreck.

WHY WEAK NERVES AND THIN BLOOD

CAUSE SUCH GREAT PHYSICAL WEAKNESS AND MAKE ONE AN EASY PREY TO A MULTITUDE OF DANGEROUS DISEASES.

Every human being is born with a certain quantity of "nerve force"--some with more than others.

Your body normally makes or generates nerve force only about so fast, and if through overwork, worry, constant nervous strain or other excesses, you use up your nerve force faster than your body makes new nerve force, then your nerve power becomes weakened, and as a consequence your blood may become thin, pale, and watery, and you become feeble, cross, and irritable. In such a state you may not only suffer terrible tortures from a multitude of alarming symptoms, but in your greatly weakened condition you are an easy prey for the multitude of dangerous germs with which you must come in almost daily contact, and you may therefore easily contract some dangerous or even fatal disease.

In cases of nerve force exhaustion in which your nerve and brain cells are starving for want of a sufficient supply of nerve force or nervous fluid it is worse than foolish in a mere your line taking mere stimulating medicines or narcotic drugs. Your nerve and brain cells must have nerve food or something to supply more nerve force the same as a starving person must have bread to build flesh and tissue. For centuries science has searched for a nerve food. At last a remarkable product was brought to the attention of the Paris Academy of Medicine by a celebrated French physician which contained the principal chemical constituent of active living nerve force in a form which most nearly resembles that in the brain and nerve cells of man. This remarkable product is today contained in Nuxated Iron so that you may now easily obtain what might almost be termed artificial nerve force simply by taking two tablets of Nuxated Iron three times a day after meals. Nuxated Iron also contains organic iron like the iron in your blood and like the iron in spinach, lentils and apples. Organic iron enriches the blood and plenty of rich red blood means more nerve force so that Nuxated Iron not only directly supplies the important chemical constituent of active living nerve force to the nerve and brain cells but it also stimulates the blood to manufacture a greatly increased supply of new nerve force. In fact, the manufacturer guarantees satisfactory results to every purchaser or they will refund your money. Nuxated Iron is for sale by all druggists.

Mrs. J. Frost Davis and daughter, Betty, have returned from a few days' visit in Columbus.

Mrs. Eugene Brine of Camp Sherman is visiting her parents, Mr. and Mrs. Earl Clark of the Scioto Trail.

Mrs. Charles Kugelmann of Grandview Avenue, who has been very ill with an attack of tonsillitis, is now able to be up and around.

Mr. and Mrs. Charles D. Scudder and children, Mrs. G. D. Waite and guests, Dr. and Mrs. Gilbert D. Waite of Elkins, W. Va., motored to Huntington Wednesday and took luncheon at the Green Gate tea room, recently opened by Miss Martha Waite.

The Magnolia Lodge Degree Team will give another of their popular dances tonight in their hall, Fourth and Washington streets. Junior's orchestra has been secured to play for the dance from 9 till 12. All Knights of Pythias and their wives and friends are invited to attend.

The Young Peoples' Department of the United Brethren Sunday school held its monthly business and social meeting in the church gym last night. The meeting was well attended and everyone present enjoyed the good time that those in charge planned after the short business session. Refreshments were served at the close of the evening. Mrs. W. F. Haney and Mrs. Fred Laramie, who are at the head of the Young Peoples' division, were in charge of the meeting.

Boys! Don't Look At This

If a boy should see this it might put a mischievous idea into his head. New York kids are using air from spare tires to blow up footballs. "These auto drivers got their air free, anyhow," they say as they proceed to get it the same way.

Says Lodge Played No Small Part In Victory

Mayor William N. Gableman was the principal speaker at an open meeting of the local lodge of the Independent Order B'nai B'rith held in their lodge room, Third and Washington streets, Thursday night. The mayor was received with cheers and he was loudly cheered when he had finished

his address. There was a splendid attendance and a social session followed a short business meeting during which officers were nominated for next year. Voicing his appreciation for the unqualified vote of confidence given him at the polls, Mayor Gableman declared "This election has had the effect of putting new life in me and it is my

sole ambition that when my second term will have been completed, it will be said of me: 'He gave us the best he had and what mistakes he made were errors of the head and not of the heart.'

"From all reports I have had since election, various members of this splendid organization played no small part in bringing this wonderful victory about. This being true, gentlemen, I am not wholly satisfied with your votes—I crave your co-operation as well."

"The most astounding revelation to me as mayor is knowledge of the fact that so few people, even our largest taxpayers, know anything about the financial situation of our city, how

Dyed Her Dress, Coat and Skirt for Few Cents

Tell your druggist whether the material you wish to dye is wool or silk, or whether it is linen, cotton or mixed goods.—Advertisement

taxes are acquired and disbursed," he stated.

"Such a lodge as this is one of the tiny rivulets of one of many small streams emptying into the vast oceans of great international orders, but let us not forget that the strength of the tributaries that empty their resources into the larger streams are the determining factors in the ultimate power of the force of that body of water. There must be no shirking, no more pleasure-seeking on the part of our members. In other words, we need have no fear of our country's welfare when organizations such as yours never lose sight of the underlying principles on which they are founded, for the foundation and up-building of our great nation must always have such solid rocks."

Discussing the financial condition of Portsmouth, the speaker stated that now at a time when other cities of similar size are staggering under enormous bond issues and mortgaging the future, Portsmouth is living within her income and facing a comfortable financial situation instead of the reverse as is true almost everywhere.

Touching on law enforcement locally, Mayor Gableman pointed out that Portsmouth being an industrial center and made up largely of working people, there is little wonder that the people are law-abiding, and lawlessness has no hold in this community.

He received vigorous applause at the end of his address.

The gratitude of the lodge for the appearance of Mayor Gableman was expressed in a short talk by Henry Atlas, and Samuel Horchow explained the work of the Order.

"This is not an organization primarily for benefit or social activities, but the sole purpose of this Order, which is composed of lodges the world over, is charity. Our Order maintains orphan homes, refuges for those afflicted with tuberculosis, and many other such institutions. Our motto is Benevolence, Brotherly Love and Harmony," explained Mr. Horchow.

Others who participated in the program were Samuel Wise, Arthur Rosenthal, Louis Glick and Louis Roth. Refreshments were served following the program.

NEW BOSTON.

The revival meetings at Immanuel were well attended last evening. The song service had its usual surprises and hearty responses. The piano, organ, violin and cornet continue to support the hearty congregational singing. Even the boys on the street are whistling "Whosoever Meaneth Me."

"Repentance" presenting that all important subject in a very clear and forcible manner. The subject for this evening will be "God's Call." The song service will open promptly at 7:15. The Red Cross campaign will open some of these days and all New Boston realizing the need of the year will without doubt, respond to this call. Miss Mae Slaughter, entertained a circle of friends at an informal evening party last evening, at her home on Glenwood avenue. Dancing and music were the diversions, after which light refreshments were served. The guests included, Miss Clara Chamberlain, Robin Hart, Gertrude Coen, Josephine Jenkins, Messrs. Lee, Fred, Russell, Yinger, Raymond Lewis, James Tuckey, and L. Taylor.

MOTHER!

Move Child's Bowels with "California Fig Syrup"

Hurry mother! Even a sick child loves the "fruit" taste of "California Fig Syrup" and it never fails to open the bowels. A teaspoonful today may prevent a sick child tomorrow. If constipated, bilious, feverish, fretful, has cold, colic, or if stomach is sour, tongue coated, breath bad, remember a good cleansing of the little bowels is often all that is necessary. Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup.—advertisement.

Healing Cream Stops Catarrh

Clogged Air Passages Open at Once—Nose and Throat Clear.

WHEELERSBURG A quiet but pretty wedding was solemnized in Saint Peter's Catholic church, Dogwood Ridge, Wednesday morning when Mr. Louis Miller and Miss Mary Barney were united in marriage by Rev. Thomas Carey. The ceremony was performed at eight o'clock in the presence of a large number of relatives and friends of the young couple. The attendants were Miss Catherine Miller, a sister of the groom, and Mr. Frank Barney, brother of the bride. Miss Barney was attired in a handsome fall suit of blue tulle with corresponding accessories. Miss Miller also wore a lovely blue suit with accessories to match. Immediately after the ceremony the wedding party went to Portsmouth and enjoyed a delicious wedding breakfast at the Manhattan hotel. Later they left for Columbus, where they will spend their honeymoon. Upon their return they will take up their residence on Court street, Portsmouth, where a cozier furnished home awaits them. Mrs. Miller is the attractive daughter of Mr. and Mrs. H. H. Barney of Hayport Road, while Mr. Miller is the son of Mr. John Miller of Dogwood Ridge, and holds a responsible position with the Souther Bros. Hardware Company, Market street, Portsmouth.

The Woman's Home Missionary Society of the M. E. church will have a bazaar Saturday afternoon at Preston's Corner. Coming—Ice cream social at the Ladies' Aid hall. Watch for further announcement. In spite of the damp and disagreeable weather last Monday, quite a number of friends in the vicinity of Wheelersburg and Franklin Furnace gathered at the home of Mr. L. H. Willis, and helped him to raise a new barn that he is having erected on his farm. Those who showed so much respect to him were the following: Charles Miller, Frank and Minor Willis and Alonzo Willis. At noon hour dinner was served of Hayport Road. Mrs. Russell Trace of Hayport Road was the guest of her sister, Mrs. Charles Lee of Rhodes avenue, New Boston. Mrs. Charles Lee of New Boston is visiting relatives here.

SHAMROCKS

No, it has disappeared—vanished—and you wake up "feeling like a fightin' cock." And Shamrocks performed the trick—over night—so smoothly and so gently as to hardly be noticed. And thus the army of Shamrock boosters grows daily. One or two tablets usually does the work—while you slumber. Purely vegetable and harmless. Pleasant to take and no unpleasant after-effects. Give them a trial tonight.

BIRTHS

A daughter was born Friday morning to Mr. and Mrs. George Meyers 518 Third street.

The motorcycle owned by Traffic Officer Roy Parsons of New Boston was considerably damaged this afternoon when it caught fire near the Mays garage, Ohio and Rhodes avenue, New Boston. Chemicals were quickly brought into play and saved the machine from being totally destroyed. The gasoline tank sprung a leak and the fire started when the gasoline reached the spark plugs of the machine.

RELATIVES OF CHAMBLIN START MOVEMENT TO SECURE COMMUTATION OF SENTENCE

It was learned Friday that relatives of Roy Chamblin, condemned murderer, have started a movement with a view to seeking a commutation of the death sentence to life imprisonment. The plan formulated is to circulate petitions throughout this city and county and even in Adams county, and present them to Governor Harry L. Davis with an appeal to extend clemency and save the self-confessed murderer from paying the extreme penalty in the electric chair. It was stated today that those supporting the movement have already consulted a prominent legal firm with a view to engaging their services in the matter of preparing the petitions and presenting them to the Governor.

Plan Big Rally At Sciotoville

October 30th marked the beginning of a series of rallies over the Portsmouth District Epworth League of the M. E. church conducted by R. S. Baltiger, District President, Miss Miriam Brown, Junior League Field Worker from the Central office at Chicago, and various pastors of the district. Next Sunday, November 20th, will mark the climax of the series, when a big rally of all the local leagues will be held in the Sciotoville M. E. church at 2:30 p. m. The campaign covers a list of twenty-four churches throughout the district, and is undoubtedly the most thorough and complete drive of its kind ever attempted in the Portsmouth section.

For the past eighteen days Mr. Baltiger and Miss Brown have been holding rallies as planned, and Mr. Baltiger reports that their efforts have been very successful. The young people of the district are enthusiastic and the meetings have been well attended. It is now the desire and hope of the President that this enthusiasm will prevail among the Portsmouth Leagues to such an extent that there will be a large turnout at the Sciotoville rally Sunday afternoon. Let all the local Leagues fill up on "pep" and report at Sciotoville for a rousing big meeting.

COURT HOUSE

ASKS FOR RECEIVER

Application for the appointment of a receiver for the restaurant business situated on Gallia street near Sinton was made in a suit filed in Common Pleas court yesterday by J. E. Wellman against Paul John and James Costas.

In his petition Wellman claims he is a partner in the restaurant and through Attorney Mark Crawford complains that all he has received out of the business was \$150, besides, he alleges, that bill are being piled up for which he claims he is liable and he asks that the defendants be required to make an accounting and that a receiver be named by the court to take charge of the business so as to preserve the assets.

Cook Case Reopened

Judge Thomas opened up the suit of Cora B. Carmichael against Creighton Cook and others and heard additional evidence in the case in Common Pleas court Friday. The suit was originally brought to partition the lands left of the estate of the late Sarah S. Cook, who died at her home in this city last January and when the case was heard and the defendant, Creighton Cook, was awarded title to a farm on the West Side some of the heirs demanded a rehearing. Cook claims that he traded two pieces of property on Tenth street to his mother for the farm involved and that she was holding it in trust for him at the time of her death. More than a score of witnesses were called in support of his claim and to dispute it.

Seeks Damages

Arthur M. Junk, Chillicothe contractor, who recently finished the moving of two miles on the Portsmouth-Oriskany pike, is made defendant in an action instituted in Common Pleas court

Friday by Kendall Overturn, by R. P. Overturn, guardian, who is demanding damages for personal injuries he alleges his ward sustained when the Dodge touring car he was driving on the night of Oct. 11, collided with a barricade and obstruction erected by the defendant at what is known as the Sherman bridge.

The plaintiff charges negligence on the part of the defendant in failing to place warning lights on the obstruction when the concentrated Vitamins from yeast are mixed with a tiny dose of Fat Soluble A and Glycophosphates, that results are quicker, economical, helping assimilation and adding the weakened stomach.

Any person desiring to secure a proper dose of Vitamins should go to the nearest drug store and procure a bottle of Phos-Pho Vitamins tablets. These high concentrated, easy to take, economical tablets come sixty to the bottle, packed in orange colored carton.

For enriching the blood, improving the appetite, aiding digestion, correcting constipation, clearing the skin, increasing your energy and for building

damages through attorney F. W. Mead.

At the rehearsal for the presentation of Gail's "Holy City" by the Community Chorus Monday night, the various roles will be assigned by Mr. Foster Krake, who is directing the chorus. The books for the singers which had not arrived last Monday night, will be ready and a large attendance is anticipated. The "Holy City" will be presented here at the high school auditorium, during the Christmas season, the exact date to be announced later.

Easy To Take, In Highly Concentrated Form, Results Quick

EACH TABLET IS A PROPER DOSE

Exhaustive tests prove that Vitamins in highly concentrated form are more beneficial than when taken in natural foods, according to experts, and thousands of people have found that in tablet form the Vitamins can be taken without straining or upsetting the stomach.

The chemists have also found that when the concentrated Vitamins from yeast are mixed with a tiny dose of Fat Soluble A and Glycophosphates, that results are quicker, economical, helping assimilation and adding the weakened stomach.

House Accepts Senate
Sur Tax Rate Of 50 Per Cent.

WASHINGTON, Nov. 18.—The house having settled the big issue in the tax revision bill by accepting by a vote of 241 to 171 the senate 50 per cent maximum income sur-tax rate amendment, senate and house conferees resumed their negotiations today with a view to reaching an agreement on the bill by tomorrow night.

The margin by which the house approved the senate sur-tax rate—28 votes—was even larger than had been expected by the proponents of the amendment. One hundred and six Democrats, 24 Republicans and the one Socialist member voted for the 50 per cent rate, while 170 Republicans

and three Democrats opposed. The vote was taken late yesterday after the house had heard read a letter from President Harding to Chairman Fordney, of the ways and means committee, suggesting a compromise at a forty per cent rate. The president said he still believes that the original house figure of 32 per cent would be more just and return a greater revenue to the public treasury than would even a forty per cent rate.

The more important issues in the tax bill now awaiting settlement are the corporation income tax rate, fixed by the house at 12 1/2 per cent and by the senate at 15 per cent, and the senate proposal to tax gifts of property

by persons, the purpose being to prevent evasion of taxes by the wealthy. Other items in the bill still in controversy include the repeal of the \$2,000 exemption for corporations except in the case of corporations having a capital stock of \$25,000 or less; increased inheritance taxes and the treatment of insurance companies other than life.

PITTSBURG, KAN., November 18.—The international executive board of the United Mine Workers of America will be convened immediately to take action on the Kansas situation, President John L. Lewis announced in a message received today by Van Bittner, representative of the international in the Kansas field.

Almost one-tenth of the 600,000 executive and legislative officials in the United States are women.

WASHINGTON, D. C., November 18.—(By the Associated Press)—China is opposed to the renewal of the Anglo-Japanese alliance and also desires the nullification of the Lansing-Ishii agreement, it was stated authoritatively today at the headquarters of the Chinese delegation to the Washington conference. These questions will be among those to be treated under the third of the ten Chinese points, it was said.

AMERICANS TO STAND ON
NAVY STRENGTH OUTLINE

WASHINGTON, D. C., November 18.—(By the Associated Press)—Evidence was given in high official quarters today that the American delegation to the armament conference regarded the relative strength of navies as fixed in the American reduction proposal as a fundamental principle, the alteration of which might seriously affect the whole negotiations.

Although declining to comment on Japan's request that her relative strength be increased, American officials pointed out that it was a natural result of applying the principle that the present strength of navies should be preserved in any reductions agreement.

A reduction based on existing proportionate strengths is regarded by the American government as the only alternative to continuance of competitive building, and the American delegation believed that to upset the present ratio in any material respect would open up an argument contrary to the fundamental principle of the whole American plan.

WASHINGTON, D. C., November 18.—(By the Associated Press)—China is opposed to the renewal of the Anglo-Japanese alliance and also desires the nullification of the Lansing-Ishii agreement, it was stated authoritatively today at the headquarters of the Chinese delegation to the Washington conference. These questions will be among those to be treated under the third of the ten Chinese points, it was said.

The Chinese, it was declared, objected more to the Japanese interpretation of the Lansing-Ishii agreement than they do to the American conception of it. The American agreement, the Chinese hold, is not so far-reaching as affecting China's interests.

While China will not concede any of her ten points at the conference in exchange for assurances of getting those more essential, she recognizes that the realization of some necessarily must be postponed until they can be worked out gradually with the powers. One of these, it was said, is that dealing with extra territoriality.

China realizes that the problem of working out a Chinese governmental judicial system which will be acceptable as a substitute for the consular jurisdiction enjoyed by the powers in China over their nationals will take some time.

Beet Sugar
Pulp Burns

TOLEDO, O., November 18.—Several hundred tons of dried beet sugar pulp was destroyed, or heavily damaged by water in a fire which gutted the warehouse of the Larowe Milling Company on the Dixie highway near Rossford late last night.

The pulp was part of the output of the Continental Sugar Company's plant at Rossford and was stored for use by dairymen.

Change Rules
Of Given
Exchanges

CHICAGO, November 18.—Radical changes in the rules of grain exchanges to comply with the Capper-Towner bill are being prepared, it was announced today, following a meeting of representatives of leading exchanges of the country yesterday before Chester C. Morrill, assistant secretary of agriculture.

The hearing was held to obtain the views of farmers' organizations as to what changes they think necessary to permit them to join the exchanges, and was a part of the agricultural department's investigation to determine which exchanges shall be designated as "contract markets."

The exchanges expressed their intention of complying with every provision of the act regulating trading in futures. Exchanges of Chicago, Duluth, Minneapolis, Toledo, Milwaukee, St. Louis and Kansas City were represented.

Fire Destroys
Candy Factory

TOLEDO, O., November 18.—Fire here early this morning practically destroyed a five story brick building occupied by the Harter Candy Co. in the downtown district.

Damage is estimated at \$135,000, two-thirds of which is covered by insurance. One hundred and twenty-five employees, mostly girls, were thrown out of work and a holiday stock of candy and chocolates were ruined. The firm moved to Toledo in 1916 from Tiffin. The cause of the fire is undetermined.

12 KILLED, 30 HURT IN
ARKANSAS BY CYCLONES

LITTLE ROCK, ARK., November 18.—Twelve persons were killed, thirty or more injured and considerable property damage done by two cyclones which struck in widely separate parts of this state last night.

One storm near Mena, in the extreme western part of the state, wiped out a family of eight persons.

Another storm, striking a lumber camp near Arkadelphia, killed one person, injured 24 others, and then skipped north to a point near Malvern, where three more persons were killed and a number injured.

Communications are demoralized and it is feared the death list will be augmented by later reports. Ambulances, physicians and nurses from Hot Springs have been rushed to the sections visited by the tornado. Heavy damage to property is reported from a territory near Magent Cove on the southwest through northeast Hot Springs county and part of Saline county on the northeast.

First bank in the United States was the Bank of North America, chartered in Philadelphia in 1781.

Have You Piles?

Then You Have Something to Learn Thousands who have piles have not learned that quick and permanent relief can only be accomplished with internal medicine. Neither cutting nor any amount of treatment with ointments and suppositories will remove the cause.

Bad circulation causes piles. There is a complete stagnation of blood in the lower bowel and a weakening of the parts. Dr. J. S. Leonardt was first to find the remedy. His prescription, HEM-ROID, is now sold by all druggists. Dr. Leonardt tried it in 1000 cases with the marvelous record of success in 98 per cent, and then decided it should be sold under a rigid money-back guarantee.

Don't waste any more time with outside applications. Get a package of HEM-ROID from Warner Bros. today. It has given safe and lasting relief to thousands and should do the same for you—it seldom fails—advertisement.

The Ladies' Relief Society of the First Evangelical church, are preparing to hold a bazaar in connection with the dinner to be served in their Sunday School room, next Tuesday. The hours for serving will be from 11 until 2 o'clock, and the bazaar will be held the remainder of the afternoon and evening.

This affair which has been an annual event in recent years, has always proved successful. The usual booths of fancywork, fancy aprons, plain aprons and baby gifts will be in evidence, in addition to homemade baked goods and candies.

Mrs. Wade Kennedy, Columbus, a former well known resident of this city, was guest of honor at the one o'clock luncheon given by Mrs. Charles Spencer and Mrs. Grace Goodwin, at the home of Mrs. Spencer, 1907 Franklin avenue, yesterday. Members of the Art Circle of which Mrs. Kennedy was also a member when she resided here, were guests at the luncheon which was lovely in its appointments. The afternoon was devoted to music and fancywork.

Mrs. and Mrs. Earl Kuhn and children of Waller street spent Sunday at Warrenton with Mrs. Kuhn's brother and sister-in-law, Mr. and Mrs. Pete Davis.

Mrs. J. E. Carr of Second street and her guest, Miss Estella Sturm of Colorado Springs, Colorado, left this morning for a ten days' visit with relatives at Kenton, Ohio.

Emilie Marie Sagar, little daughter of Mr. and Mrs. John Sagar, is quite ill with bronchitis at the home of her aunt, Mrs. Charles Bennett of Long Run. She just recently recovered from a severe attack of diphtheria.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards' Olive Tablets, a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 15c and 30c.

The home of Mr. and Mrs. Robert Spriggs of Glendale was the scene of a happy gathering recently in honor of the second birthday anniversary of Mrs. Spriggs' grandfather, Mr. Henry Justice of Wheelersburg, who has been their house guest for several weeks. At twelve o'clock the guests sat down to a sumptuous turkey dinner with all the good things that go with it. As Thanksgiving is near at hand the decorations and favors were in keeping with the holiday season. Games were laid for Mr. and Mrs. William Goddard and family, Mrs. David Davis, Mrs. Madge Justice, Mrs. Jennie Dingler and children, Mrs. A. S. Meatz and daughter Anna Lou, and Mrs. Charles Angel of Wheelersburg. At a late hour the guests departed for their homes wishing the honor guests more happy birthdays.

Mrs. John Dulac entertained a little card club to which she belongs yesterday afternoon at her home on Kinney's Lane, Victoria music and five hundred were the diversions of the afternoon. At the close of the games Mrs. A. K. Harrison was awarded first prize for the highest score and Mrs. H. Z. Wagner was awarded the favor for the lowest score. Later the hostess served a delicious salad course to Mrs. L. B. Einspinner, Mrs. A. K. Harrison, Mrs. W. W. Weidner, Mrs. H. Z. Wagner, Mrs. C. T. Anderson, and Mrs. John Dodge. The next meeting will be with Mrs. W. W. Weidner at her home on the West Side.

The problems of Child Life are dealt with knowledge, when such a man as Judge Ben Lindsey of Denver, Colorado, is the speaker. He is coming to Portsmouth next Wednesday evening, November 23rd, and will deliver a lecture in the High School auditorium, under the auspices of the Woman's City Club. He will talk of his long and interesting experiences as juvenile court judge. The judge will relate how underfed, underdressed and homeless boys and girls with negligible education and beauty gone, disclose often the sturdy qualities that are found in true manhood and womanhood. He will have something personal to say regarding his career on the juvenile bench in Denver, and will reveal many of the methods which he has employed in causing reformation to "right-about-face." Members of the Woman's City Club will be admitted free to the lecture, and non-members will be charged fifty cents admission. It is hoped a large crowd will be on hand to greet Judge Lindsey.

Mrs. W. H. Vickery and children, Florene and Harold, of Kinney's Lane, are spending the weekend in Clarksburg.

Mrs. Howard Gehrus was hostess of a charming little bridge party yesterday afternoon at her home 1511 Franklin avenue. Enough guests were present for three tables of bridge and at the close of the games a delicious two course lunch was served in the

dining room. A color scheme of yellow and white was effectively carried out in the decorations of fluffy yellow chrysanthemums. The favors were small turkey baskets filled with candies. Covers were laid for Mrs. Ralph Manning, Mrs. Anselm Skelton, Mrs. Richard Tremper, Mrs. Charles Ahrend, Mrs. Hugh Tremper, Mrs. Louis Schoettie, Mrs. E. H. Stallard, Miss Ruth Fitch and Miss Miriam Neudorfer.

LOCAL NEWS

What is so rare as a June-like day in the middle of drab and dreary November?

The temperature rose to 80 today, it being one of the warmest November days on record. In 48 hours almost four inches of rain falls and then the mercury cools to 80. A capricious month, this November.

Relative to the reunion local Ohio State University graduates will hold here on November 22, the following notices were sent out Friday.

Come all you sons and daughters of Ohio State and once more harken to the call of "Carmen Oiler" and his friend, wife, husband or sweetheart to make ready to go to the Ohio State Day Celebration at the Mary Louise Tea Room on Friday Evening, Nov. 25th, at 7:45 p. m. Prof. Bohannan will be there with one of his witty talk. President Harding and Prax Thompson will be heard through the radiophone.

The condition of Walter C. Newman, 2508 Eleventh street, manager of the stock department of the Universal Motor company, who was injured in a hunting accident Tuesday, was much improved Friday.

He was ridden with shot about the legs and body when his companion, "Buck" Armstrong fired on a cotton-tail which jumped up between them and a shot struck him in the right eye. It was thought for a time that he would lose the sight of the wounded optic, but yesterday when an X-ray was taken it disclosed that the shot did not lodge in the eyeball and the attending physician expressed hope of saving the eye. It is not believed the shot in his legs will give him any trouble.

It is an agit, off agit. Flanagan with the Snook house Junior football team. They change their minds like a temperamental chorus girl.

After having the Waverly Legion team booked for Sunday, they cancelled this team and this morning looked the Ironstone Panthers for a game on the Seventeenth street lot on Sunday morning. The Panthers recently chewed the Juulers to the tune of 9 to 0. So with the Panthers here in the morning and the Tanks in the afternoon a lot of football arguments should be settled.

Alex Sandler, who it is reported secured a marriage license in Catlettsburg, Ky., yesterday to wed Miss Lulu McIntire, is a well known carpenter of this city. He is married and has a wife, Mrs. Lulu Sandler and four children living at 541 Front street, and local county officers have been looking for Sandler for sometime to meet charges of abandoning his family. In the event he has remarried without securing a divorce Sandler is guilty of the additional charge of bigamy and it is likely that a warrant for his arrest for this alleged offense will be issued on complaint of wife No. 1.

According to Mrs. Sandler her husband has been neglecting her and his children for the association of the other woman, Miss Lulu McIntire, named as the prospective bride in the marriage license, made public, for many months and that Sandler was arrested a number of times at her home in the North End and later on Scioto Trail. It is claimed that Sandler and Miss McIntire were seen leaving the city together Thursday, departing on a street car to New Boston where they boarded a traction car for Ironton.

THINGS SEEN IN PORTSMOUTH

Man cranking car for sweetie on Galia street. He was so flustered that he walked into butcher shop across the street instead of in the garage where he is employed.

Man bragging that he had eaten six hamburgers.

Two couples having scrap in flivver on Scioto Bridge. Bottle broken black eyes and everything!

Man cutting foot of rabbit in butcher shop and tucking it away neatly in vest pocket. Probably thought next day some one would give him Packard machine.

Married man on Eighth street driving into garage with affinity in ear all contained up. A real scrap is brewing.

Two girls standing in front of Crystal Palace pool room at 11 P. M. looking eating ice cream and pop corn, and talking to two prominent young gentlemen of the East End.

Claims Husband Has Inherited Fortune; Wife Seeks Alimony

Myrtle Marie Elam, 1918 Eleventh street, charges neglect and cruelty in her suit, for divorce and alimony, instituted in Common Pleas court Friday against John Henry Elam, soldier in the regular army now stationed at Ft. Benjamin Harrison, Indianapolis. In her petition filed through Attorney Mark Crawford, the plaintiff complains that Elam failed to provide for her properly at any time since she married him in Cincinnati on Sept. 19, 1918, declaring that he squandered his earnings in gambling, drinks, treating his men friends and riotous living, and says that they separated in May, 1920, when she claims he sent her home to her mother on the pretense that he could not maintain her. Furthermore, the wife asserts, the defendant enlisted in the army without making any provision for her, repeatedly told her that he did not care for her and declared that he was in love with another woman whom he wanted to marry. She claims that the present poor condition of her health is due largely to Elam's neglect and his cruelty toward her.

The wife further says that Elam claims to be the owner of valuable oil lands near Tulsa, Oklahoma, and \$450,000 which he recently came into possession of through inheritance from his mother, Sarah Bretten, who died a short time ago at her home there. The plaintiff claims the defendant owes two automobiles and pays his attorney \$350 a month for taking care of his property interests in Oklahoma.

Woman Found Guilty; Is Sent To Jail

Mrs. Nora Cyrus, 329 Second street, was convicted of contributing to the delinquency of Clydia Harrison, 15-year-old girl, at her hearing in probate court Friday and Judge Gilliland fined her \$100 and sentenced her to jail for thirty days. Dave Stevens, Ironton, and Lee Weaver, New Boston, were also found guilty of contributing to the delinquency of the girl and the court imposed a penalty of \$25 against the former and fined Weaver \$10 and dismissed Beniah Proctor, Nora Stanford, Ida Brown and Anna Webb, accused of encouraging the girl to misconduct, for lack of convincing evidence. The court scored the latter quartet and cautioned them against being associated with the Harrison girl, who was made a ward of the court and placed in the custody of Miss Emma Hubert, welfare worker.

Third street are rejoicing over the arrival of a daughter, their first-born. Mr. and Mrs. Robert Cornette of Market street have returned home from a visit with his relatives, Mr. and Mrs. Cornette of Eureka Vista pike.

Mrs. Viola Pertusset of 518 Third street received a message today from her daughter, Mrs. Henry Laypohle, who is at Chattanooga, Tenn., with her husband, who continues very ill. Silas Frasier of 819 Court street who has been visiting relatives near Juena Vista and hunting, has returned home.

MASONIC TEMPLE "THE STORE ACCOMMODATING" FOURTH AND CHILLICOTHE STS

TEAM AND FANS ARE PRAYING FOR DRY FIELD

If Old Sol Gets On The Job Smokehouse Players See Victory By Very Convincing Score

When Old Sol got back on the job Friday after being on a several days vacation the hearts of the Smokehouse football players and their hundreds of loyal supporters leaped high. They saw visions of a dry field for the Blue and White-Tank game in Millbrook.

They have it all depended out that a dry field insures victory for the Blue and White and by a larger and more convincing score than if the two well conditioned teams would have to slip and slide around on a sloppy field.

With weather conditions favorable the largest crowd that ever saw a football game in this section is sure to be on hand. Ironton will come on a special train over the N. & W. and will be accompanied by the Elks Band of that city. All Portsmouth will be there that is all football lovers and the class will go down in history as one of the greatest gridiron struggles ever staged in the Ohio valley.

Both teams are at their peak so far as condition is concerned and both will be out there to give their all Sunday.

The Blue and White squad practiced for two hours last night and ran through all kinds of signals. A big crowd was on hand and every spectator stated that if the Tanks win Sunday they will beat one swell football team. Stick a pin in that prediction.

Ironton To Send Big Delegation

(Irontonian)
Portsmouth is making arrangements to hold one of the largest crowds in the history of Millbrook park, and no doubt a great number of these will be from here, or at least Ironton will be represented and heard from not only on the field of action but on the sidelines as well.

The Tanks took a hard workout on a muddy field last evening and the drill went through in the usual snappy manner. Coaches Scott and Wickett now feel that all the boys are tuned to the brain and are set to hand the River City representatives in the form of eleven men, a hard drubbing as was done in the important contest staged at Beechwood last season.

Wet Field Will Help Local Warriors

The forward passing attack of the Chillicothe team will probably be halted somewhat today by the rainy weather. The team has been depending for their victories almost altogether on long forward passes but the locals have been drilled hard in this respect by Coach Fries and they expect to stop the aerial gain. The locals have some surprises in the form of attack which will be uncocked.

Juniors Vs. Waverly Sunday

The Smokehouse Juniors are in local shape for their game with the Waverly team on the sixteenth street Sunday morning. Several new faces will be in the local's lineup and they expect to make a fine showing against their heavier opponents. The team will go through a stiff practice session tonight.

Tigers To See Yale-Harvard Game

CAMBRIDGE, Mass., Nov. 18.—The football teams of Yale and of Harvard and their gathering supporters alike found food for thought today in the announcement that a majority of the members of the Princeton team pick the crimson to win tomorrow. This choice is against all the quoted odds and notwithstanding the Tigers' defeat of Harvard and loss to Yale.

Of the 15 Princeton players who took part in one or both games, ten pick Harvard as winners tomorrow, three like Yale's chances and two think there will be a tie. The Tigers will attend the game as guests of the Yale and Harvard teams.

BUY YOUR TICKETS EARLY

Tickets for the Smokehouse-Tank game Sunday are selling very rapidly. It is up to every loyal fan to buy at least one passbook. The team needs your presence at the big game. Make it a point to buy your tickets at once.

Arrangements are under way to handle a record crowd in Millbrook. The field will be of course be wired off and two horses will be ridden up and down the line to keep every person from crowding too closely upon the wire.

MILLS WILL RESUME

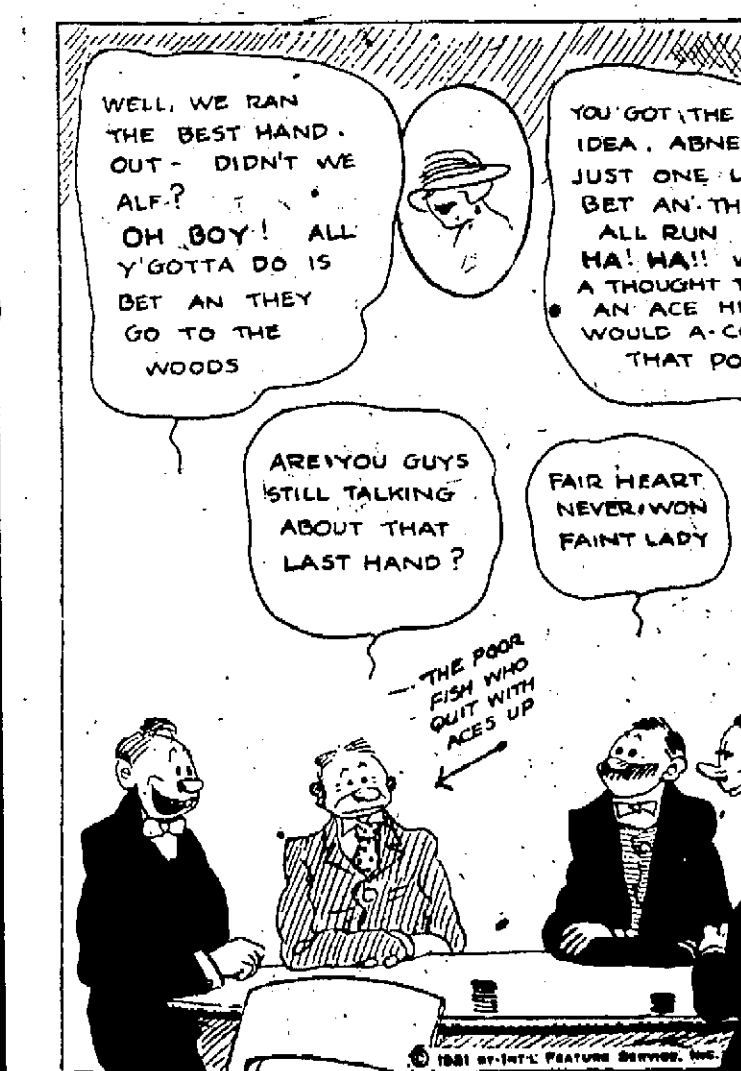

At the offices of the Whitaker-Glessner company it was stated Friday that the two and three high jobbing mills would resume operation Sunday at midnight and employees should govern themselves accordingly.

These mills had been idle while repairs were being made.

State In Good Shape For Illinois Game

COLUMBUS, O., Nov. 18.—With groundkeepers spreading tons of hay over Ohio field in an attempt to dry it off for the Ohio State-Illinois game Saturday, prospects were for a soggy gridiron. Pools of water stood on the field today and there appeared little chance of its drying off before Saturday.

Keen rivalry between Ohio State and Illinois has aroused much interest in the game, although Ohio is considered the probable winner. All seats have been sold for more than a week and the few remaining in the hands of speculators were bringing fancy prices.

The Illinois squad arrived today and was expected to practice briefly this afternoon. After a light workout yesterday, Coach Wiley said his men were in good shape and his regular team would start the game.

Advance Good Ideas To Settle Conference Winner

CHICAGO, Nov. 18.—Agitation for some method of determining the Western Conference football championship each year by actual competition between the eleven with highest ranking at the close of the season, is being actively conducted by football enthusiasts in the middle west, and the subject promises to become an important question at the December 3rd schedule meeting of the conference faculty representatives.

Coaches of both Ohio State and Iowa, the sole undefeated conference teams this year, have indicated their unwillingness to enter into negotiations for a post-season clash, which would be against the present conference rules.

In recent years the leading eleven won an undisputed crown. This year, however, Ohio State enthusiasts claim their squad has met and defeated stronger teams than the Iowa eleven, while Iowa backers point to the early season defeat of Ohio State by Oberlin, a non-conference eleven, 7 to 0, as grounds for giving the title to the Hawkeyes.

A prominent Michigan alumnus in a letter published here today advocates a plan for a conference championship series, by which the schedule makers would leave open the final November football date, so that the leading eleven each season might be paired on that date to settle titular honors. Other eleven would be matched for the remaining places in the race. Critics of the scheme point out that certain teams in the conference have refused to schedule games with other conference eleven; a notable instance being the Ohio State-Wisconsin feud of several years standing, and the Chicago-Michigan quarrel, which only recently was healed.

Iowa And State In Deadlock For Title

Ohio State versus Iowa. What a game that would be!

It looks now as if only a battle between those two eleven would settle the question of western football supremacy.

It is very unfortunate that the schedule does not bring these two teams together. It is ever more unfortunate that there doesn't seem to be a chance for such a meeting.

If the two teams keep their state clean, then Ohio State will generally be regarded as the champion. It doesn't seem possible that either Northwestern or Illinois will be able to upset the duo.

Northwestern should be easy for Iowa. It is certain that Illinois will give State a battle, but the pupils of Wiley should emerge victorious.

Wisconsin, because of its tie game with Michigan, has been eliminated as a title contender. As a matter of fact Wisconsin was rather lucky to get a tie, the only score by the Dawgs being on the runback kind of a fluke.

Wisconsin figured to beat Michigan. Overconfidence probably played its part in the defeat.

Ohio State held the championship in 1920. Naturally, State holds that it is still champion, and will continue to hold the title until defeated. Illinois once took a similar stand and was upbraid in it. Despite the claim, which is logical, there are many experts who believe that Iowa is an eleven which has a great chance to overthrow State. That, however, is a question which will remain unanswered.

Too bad the college authorities usually frown on any suggestion of a post-season game to decide a championship.

Penn State Team Will Invade Seattle

STATE COLLEGE, Pa., Nov. 18.—The trip has been arranged by Coach Hugh Bezdek as a reward for the players for successfully coming through one of the hardest schedules of any Eastern eleven.

Penn State has declined three offers to play games in the West, as the authorities desire to have the players lose as little time as possible in their studies.

The Leather Grippers run away with all three in their match with the Heel Builders, last night, and pushed their opponents towards the cellar. Most of the work was done by Bruno who made the highest score in the league for this season in the Selby league. His mark was 618 and it will give the bowlers something to shoot at. His scores were 100, 248 and 204. Dendrella of the losers rolled 501.

Schedule This Week
Friday, Nov. 18, Cleaners vs. Monron Six.
Saturday at 3 p. m., Underwoods vs. Times; at 4 p. m., Strollers vs. Seventy Six.

The Seventy Six team broke into the winning column in the league last night by taking two out of three games from the Underwoods and showing that team into the cellar position. The scores were 12-21, 21-14, 21-13. The entire winning team played well with Longfellow and McFarland starring.

Seventy Six: McFarland, G. Moore, Witche, Chandler, Jones, Longfellow, Smallwood, H. Moore.
Underwoods: Haupt, Caudill, Gee, Gahbert, Dixon, Wohler, Staten.

The Burroughs Specials had little difficulty taking three straight games from the N. & W. team by scores of 21-14, 21-13, 21-7. Every member of the winning team played a good game and the losers put up a good scrap.

Burroughs Specials: Korrs, Wells, Kearns, Coriell, Strickland, Saddle, N. & W.: A. A. Oakes, Purdy, Sowers, McCurdy, Petry, Williams.

Lewis After McCormick

NEW YORK, Nov. 18.—Red "Kid" Lewis, the British boxer, who last night won the English light-heavyweight title by defeating Ray McCormick, has become the Georges Carpentier of the British Isles.

Carpentier started out as a bantam and won all the championships of Europe and has progressed a bit farther than Lewis. The latter, however, was featherweight champion of Europe before he made his first trip to America. He gained weight on this side and then won and lost the world's welterweight championship in bouts with Britton.

Now that he has defeated McCormick, it is probable Lewis will challenge Joe Beckett for heavyweight honors.

Keep An Eye On That Backfield

It was a pleasing sight to see Chinn Hauler, Devoss and Taylor working out in the backfield last night during the Blue and White practice. They put the game right up to the handle and are always in shape to give their maximum services to their coach. Keep an eye on them Sunday.
